Beloved Children of the One Father:

You have been told that where your attention rests there you are regardless of where your physical body may be. It is Our pleasure, therefore, to welcome you into Our midst by means of your projected consciousness, furnished through the Beloved Kuthumi's report of the Transmission Flame Activities held this current month at the Beloved Sanat Kumara's Retreat at Shamballa.

For long ages, beloved ones, before the advent on this Earth of Our Beloved Jesus on His Christly Mission, the Feast of the Christ Victory was celebrated in the Higher Octaves by other Sons and Daughters of God Who had attained to Their Christly Estate by individual effort. It was the radiation of Their rejoicings that was communicated to the shepherds by the Angelic Choir as They sang Their glad Hosannas of "Peace on Earth, Good-will to men" on that first Christmas eve so long ago. As men open their hearts more and more to the spiritual significance of Christmas, then will the consciousness of their own oneness with God the Father be made manifest in each one's experience.

Blessings and Love,

MAHA CHOHAN

Beloved Kuthumi's Report on the Transmission Flame Ceremony of November 17, 1955 - concluded

Sanat Kumara Himself waits within the heart of His Temple for the coming of the Harvest Bearers. His Successor, the Lord Gautama Buddha, has taken His place at the head of the procession. The Buddha wears, tonight, a magnificent robe of lilac-colored silk; golden sandals adorn His blessed feet; and around His neck He wears a golden chain with the Star of Sanat Kumara resting in His breast. His hair, brushed back plainly as usual, falls to a little above the shoulders. His serene countenance is lighted by just the trace of an inner smile.

Behind the Lord Buddha walks Lord Maitreya, Who will be the officiating Priest at tonight's ceremonies. Lord Maitreya, of the golden hair and violet eyes, robed in snow white (symbolic of the Cosmic Christ) with a deep band of embroidered royal purple at the hem and sleeves.

Behind Lord Maitreya walks your great Friend and My Beloved Guru, the Lord Maha Chohan in His usual Indian garments, a large amethyst fastening His white turban. Walking by His side, Her hand lightly touching His arm, is the beautiful Pallas Athene. She wears deep royal purple tonight and wears Her crown as member of the Karmic Board.

Next in order of procession come the Beloved Chohans of the Rays - a Master representing Me as Chohan of the Second Ray.

Beloved Morya, in a gorgeous white Indian costume, walks first. He wears a deep royal blue

cape thrown up over the left shoulder, showing a lining of some white, glistening silk material which matches His turban - magnificent, as usual.

Behind the Beloved Morya walks My Representative in a robe of golden yellow. Then comes the Beloved Venetian in a robe of soft pink, the color of His Ray. The Beloved Serapis comes next in pure white wearing an Egyptian head-dress of white. Behind Serapis walks the Beloved Hilarion also in a robe of white, but with a deep band of green at the hem and bottom of the sleeves, shading from the very deep green at the bottom to the very light grass green at the top.

Next in line comes the Beloved Jesus in a robe of deep ruby pink, accompanied by the Beloved Mother Mary in soft azure blue, wearing a veil of the same celestial color over Her long hair and falling almost to the hem of Her robe.

Next in line comes the Beloved Saint Germain in deep royal purple, looking a very Prince of Prinees. Beside Him walks the beautiful Goddess of Justice in a lighter shade of the royal color; on Her head the seven-pointed crown worn only by members of the Karmic Board, of which, as you know, She is Spokesman. They present a truly magnificent appearance.

The Great Elohim now enter the procession. Tonight, They have chosen to occupy a different placing for some specific reason. Here They come; Mighty Hercules robed in electric blue; the great Cassiopea in Buddhic gold; the Beloved Orion in soft pink; the Elohim of Purity in snow white; the Beloved Cyclopea (Vista) in Nile green; the Beloved Elohim of Peace in ruby pink similar to

that worn by the Master Jesus; and the Beloved Arcturus in the deep royal purple of Saint Germain.

The Elohim each carry in one hand a globe, symbolic of the receptive consciousness, and in the other a sceptre, symbolic of the power of invocation.

Following these Mighty Ones come the Angelic Host. Preceding the Archangels tonight are the Seraphim - beautiful of face and form. As They walk, They scatter multi-colored Flame Flowers, which not only cover the entire bridge with their radiance and perfume, but flow down into the sapphire sea substance beneath.

At the head of the Archangels walks the Lord Michael bearing His banner on which is embroidered a great golden Sun surrounded by embossed figures of the seven Archangels in exquisite colors.

Lord Michael is garmented tonight in a long white robe with a band of deep blue sapphire at the hem. A great sapphire fastens His girdle and the golden band which He wears around His head. His shining golden hair falls to the shoulders.

After Him come the other six Archangels with Their Archaii, two by two, each pair dressed in the magnificent colors of Their Rays. (The Angels as you know, represent the feeling nature of the Godhead.

Next come the various members of the Angelic Host in Their radiant garments of varied and

exquisite shades of color.

Following the Angelic Host walk members of the Great White Brotherhood from the various Retreats throughout the world Who have foresworn Nirvana in order to serve mankind, and many Initiates in Their inner bodies who have refused Their Ascension in order that They might yet serve men in flesh bodies.

Now, if you will join your consciousness with Mine, We, too, shall walk over the bridge into the Sacred City. As We approach the Temple, the sound of the great Hosannas and magnificent Oratorios resound through the air and are wafted by the forces of Nature over the entire planet, steeping into men's consciousness, drawn in by the breath.

As we reach the great doors of the Temple, We may see Sanat Kumara standing by the side of the great Altar, gently and lovingly acknowledging the 'Sheaves of Harvest' as they are placed in the great crucible by Great and small alike.

The Beloved Lord Maitreya, as Celibrant, stands in front of the Altar. He raises the censer in homage to the Most High Living God and in loving recognition of the services each member of the Assembly has rendered through the year. Now, as the Breathing Exercises are about to commence, We must, each one, go to Our respective places. God bless you.
